Fraud Exposed.

A few counterfeiters have lately been making and trying to sell imitations of Dr. King's New Discovery for Consumption, Coughs and Colds, and others medicines, thereby defrauding the public. This is to warn you to beware of such people, who seek to profit, through stealing the reputation of remedies which have been successfully curing disease, for over 35 years. A sure protection, to you, is our name on the wrapper. Look for it, on all Dr. King's, or Bucklen's remedies as all others are mere imitations. H. E. BUCKLEN & CO., Chicago, Ill., and Windsor, Canada. McMaster Co. Obeur Drug Co. John H. McMaster & Co drug stores.

The Best Medicine I Have Ever Used.

Columbia, S. C., Nov. 10, 1903. Gentlemen: I have suffered a long time from chronic liver complaint, and find that Dr. James' Iron Bile and Liver Tonic gave me more relief than anything I have ever used. I recommend it to all who suffer from constipation. Yours truly, J. S. Sheband.

February.

February, 1st and 4th, im.
Straight of form and strong of limb;
Keen gray eyes and honest face;
Lines where cares have left their trace;
Home-pun mantle, loaded head;
Kerchief over bosom spread;
Strong stout shoes and shortened gown;
What cares she though Winter frown,
And the storms of sleet come down?
Anna Nell Gilmore in February Lippincott's.

Grave Trouble Foreseen.

It needs but little foresight, to tell, that when your stomach and liver are badly affected, grave trouble is ahead, unless you take the proper medicine for your disease, as Mrs. John A. Young, of Clay, N. Y., did. She says: "I had neuralgia of the liver and stomach, my heart was weakened, and I could not eat. I was very bad for a long time, but in Electric Bitters, I found just what I needed, for they quickly relieved and cured me." Best medicine for weak women. Sold under guarantee by McMaster Co. Obeur Drug Co., John H. McMaster & Co., druggist, at 50c a bottle.

Sell The Old Hens.

This is good logic in general way, but needs to be modified under certain conditions. If we are trying to improve our flock, to add vigor and correct certain faults that already exist, then we should hesitate about discarding the old hens from which we reared the chicks of the past season.

From them we get certain types—faults and good points clearly defined, so that we are able to see exactly what to strive for and what faults we may expect to overcome. While it is true that they will lay less eggs than the pullets will, still the fertility will be greater, and the chick will be stronger, and on the whole results will be more satisfactory. If we are keeping poultry for profit only, sell the old hens; if we are keeping poultry in order to improve the fancy portion, keep them.

You and I.

If you and I—just you and I—Should laugh instead of worry, If we should grow, just you and I—Kinder and sweeter-hearted, Perhaps in some near by and by A good time might get started. Then what a happy world 'twould be
For you and me—for you and me! Speak gently, tis a little thing Dropped in the heart's deep well;
The good, the joy, that it may bring Eternity shall tell.
—G. W. Langford.

Agonizing Burns.

are instantly relieved, and perfectly healed, by Bucklen's Arnica Salve. C. Rivenbark, Jr., of Norfolk, Va., writes: "I burnt my knee dreadfully; that it blistered all over. Bucklen's Arnica Salve stopped the pain, and healed it without a scar." Also heals all wounds and sores. 25c at McMaster Co, Obeur Drug Co, John H. McMaster & Co., druggists.

A negro publicist who carries the wisdom of Booker Washington under his hat declares: "If I had the jawbone used by Samson I would use it on the young loafing negro and make him go to work." If he did that he would settle the "race problem" at one fall swoop of that jawbone.

Has Stood the Test 25 Years.

The old, original GROVE'S Tasteless Chill Tonic. You know what you are taking. It is iron and quinine in a tasteless form. No cure, no pay. 30c.

Avoid excesses of all kinds. They are injurious. The long life must be a temperate, regular life.
